# CAPACITI

As an IT graduate with a National Diploma in Information Technology Software Development, I possess a solid foundation in programming languages like C#, Python as a secondary language, and basics of Javascript, along with expertise in Microsoft SQL Server. I have learned to adapt to various challenges and strive to continuous self-improvement in every role I undertake. I am now seeking to further my skills and contribute to innovative projects in the IT industry.

## Education

- Nelson Mandela University, NQF LEVEL 6 2020-2023
- Mayibenye Senior Secondary School, NQF LEVEL 5

## Work Experience

- No Experience

## Achievements and Key Projects

- Applied Data Science with Python
